Rock Wall Rules

Adult supervision required.

Do not climb when the mats are up and covering the wall.

Do not climb above the handholds.

Do not hold on to the wood trim or hooks.

No rough housing, pulling people down, or pushing people off.

Your feet should not go any higher than your shoulders.

Do not sit or perch yourself anywhere on the wall.

Removing shoes makes climbing easier.

With these rules in mind…

Have lots of fun climbing!!
